

## GET INVOLVED: GET OUT THE VOTE

So, you've followed along, participated in events, asked questions, and stayed informed on important issues. Now what? It's time to get out and VOTE! Once you've made sure you're registered and ready to vote, it's equally important to make sure friends, family, and other members of your community are registered and ready, too.

***Participate in a voter drive.*** Check with local civic organizations for information on voter drives and other kinds of assistance available for people looking to vote. Volunteer to help get members of your community registered and to the polls.

***Encourage friends and family to vote.*** Share information with family, friends, and your community — the more people involved, the better! Share our Great Lakes Voter Information Center at [www.greatlakes.org/VoterInfo](http://www.greatlakes.org/VoterInfo) where they can check the status of their registration and find polling locations.
